SEVEN TIPS FOR CREATING YOUR OWN WES ANDERSON-INSPIRED INTERIOR

- **Choose a memorable colour palette** Go bold with RESENE New York Pink and green with RESENE Atlas, from RESENE COLORSHOPS.
- **Create symmetry** Wes Anderson is often referred to as the “King of Symmetry.”
- **Rethink everyday objects** Add personal touches that make your space reflective of your individual taste.
- **Add bold and playful patterns** Don't be afraid to bring life to your space with dramatic fabrics.
- **Hang unexpected art** A unique wall hanging or print will boast quirkiness catching any guests eye.
- **Incorporate vintage items** Sustainable and sometimes more affordable, vintage pieces will add historical quirk to the room's sensibility.
- **Select statement furniture** Don't choose safe, take a risk with loud furniture for fantastical fun.
