

SOMETHING OLD, SOMETHING NEW

Finding the perfect mix of new and vintage just comes down to filling your interior with things that make you happy, they might spark a memory or tell a story or just feel like “you”.

STYLIST TIP

Create dynamic interiors by playing with unexpected colour combinations where two spaces meet. Paying attention to these transition spaces can create moments of magic.

STYLIST TIP

The perfect shade of lilac, **Resene Twilight** is a pale lilac pink, rosy and suffused with the last sunset. Pair with the depth of **Resene Zibibbo**, a deep velvety red, for a bedroom palette with a bit of romance.
