

# diy kidz

Resene Sunflower

Turn boring walls into fun magnetic spaces with Resene Magnetic Magic.

Paint it on, topcoat in your fave Resene colour and get stuck in sticking magnets all over it!

Resene Hot Chile

Colour me or one of my testpot character friends – download us from [www.resene.co.nz/kids/colouring\\_in.htm](http://www.resene.co.nz/kids/colouring_in.htm) and starting colouring!

Resene Astronaut Blue

Get arty with Resene Art Action student acrylic, art and poster, and tempera paints – use straight from the bottle or mix them up and make your own colours. Available from Whitcoulls and Resene. Check out [artaction.resene.co.nz](http://artaction.resene.co.nz).

## what colour am I?

Blue + Yellow = ?

Red + White = ?

Yellow + Red = ?

Blue + Yellow = Green, Red + White = Pink, Yellow + Red = Orange

## spot the seven differences

spot the seven differences

1. peg missing from top of easel
2. dog looking the other way
3. star on girl's head has moved down
4. dog's tongue is longer
5. peg on easel is longer
6. spot on trouser leg has gone
7. test pot by girl's foot has moved

spot the difference: Richard Gunther
