

Getting it COVERED

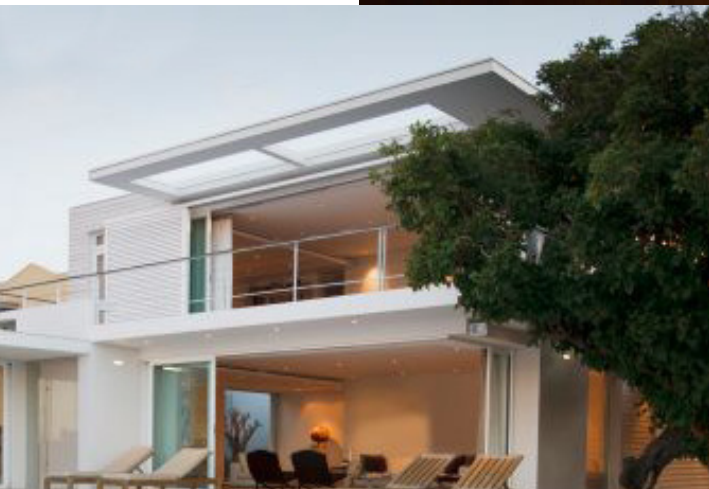

Whatever project you're tackling **OUTSIDE THIS SUMMER**, Resene has the **PERFECT SOLUTION**.

SAY GOODBYE TO DIRT

Apply the natural mineral effect finish of Resene AquaShield to outdoor areas and eliminate the need for cleaning. The coating has been formulated to repel water, reducing the contact area for water and dirt. Dirt particles adhere lightly and are carried away by the rain, keeping your paint looking its best.

GO NATURAL

Suitable for use on a wide range of exterior timbers, including weather boards, dressed and rough sawn timber, fences, beams, plywood and profiled sheets, Resene Waterborne Woodsman is available in 47 colours and is formulated with powerful fungicides to keep mould away.

When it's time to repaint your concrete swimming pool, always choose a paint that is formulated especially for the job. Resene Swimming Pool Paint's unique formula wards off pool chemicals to ensure colour lasts longer.

GET A GRIP

Use Resene Non-Skid Deck & Path to banish unsafe, slippery surfaces once and for all. The finish has a comfortable grit texture and is available in a low-sheen finish that can be tinted to complement your existing colour scheme.

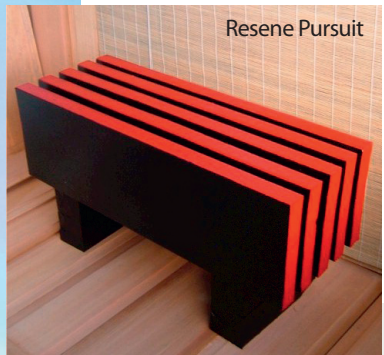

ADD A TOUCH OF CLASS

Spruce up exterior timber surfaces with Resene Woodsmail Oil Stain. A couple of coats will have your tired, weathered decking and furniture looking new again. If you prefer a lighter finish, opt for quick and easy-to-apply Resene Furniture and Decking Oil. For new or weathered kwila or other exotic hardwoods choose Resene Kwila Timber Stain.

REVAMP YOUR ROOF

Inject some new life into your roof while protecting it from the elements with Resene Summit Roof. Formulated with UV-resistant pigments and heavy-duty acrylic polymers, Summit Roof will give your new or previously painted roof a long-life satin finish.
