## THE STORY

*We were founded by four families, who's heritage was in lace making. The natural progression from lace was to weave sheer fabrics. Rami is a textured sheer fabric, with a very regular weave to appear as discreet as possible and filter the natural light nicely. Rami is woven in Europe, which sounds nice, doesn't it?.*

**AVAILABLE IN 2 COLOURS:  
SNOW & EGGSHELL**

*Suitable for roller blinds, roman blinds & panel glides.*

Colours shown are a representation only. Blinds matched to paint colours may differ batch to batch due to the fabric, texture, sheen and processing. Please refer to the actual blind product sample, or for paint choices, the actual Resene paint sample, before making your final choice. We recommend choosing complementary, not matching, paint colours to work with your blind colour.
