- + **Resene testpots** are ideal for small areas. Apply two coats and remove tape before the paint fully dries. The taped area can become part of the effect by framing the colour once peeled off.

COLOUR STORY: bold geometrics

Gemma Burrows couldn't wait to transform the plain, impersonal white walls of her Wellington home. "I like bright colours," says Gemma, "which you can tell by looking at my clothes and lipstick on any given day!" After scanning Pinterest for inspiration, she decided on a geometric theme that would inject colour and complement her extensive art collection and furniture. The fireplace was reinvented with a square of Resene 'Bright Spark' and a thin line of Resene 'Bombshell' to "give it some edge". The laundry double doors were painted in a triangle pattern of Resene 'Such Fun' and Resene 'Deep Blush'. Gemma completed the look with a scattering of smaller triangles.

If you used Resene paints in your home you could WIN \$5000!
