You will need:

- Drill

- Paintbrushes
- Paint stirrer
- Piece of 9mm MDF measuring 600mm x 1000mm

- Resene SpaceCote Low Sheen tinted to Resene Mint Tulip
- Resene SpaceCote Low Sheen Kitchen & Bathroom tinted to Resene Vitra
- Resene testpot of Resene Zomp
- Resene No.4 roller and paint tray
- Resene Quick Dry
- Resene Write-on Wall Paint
- Sandpaper
- Screws
- Screwdriver
- Tape measure

Step one

Apply one coat of Resene Quick Dry to the MDF panel and allow one hour to dry.

Step two

Wash down and prepare woodwork and wall surfaces. Apply two coats of Resene Reservoir to woodwork, allowing two hours for each coat to dry.

Step three

Apply two coats of Resene Mint Tulip to the MDF panel, allowing two hours for each coat to dry.

Step four

Cutting in first around the woodwork, paint walls with two coats of Resene Vitra, allowing two hours for each coat to dry.

Step five

Mask off a 30mm strip around the edge of the board and apply two coats of Resene Zomp to this strip. Remove the masking tape before the second coat has dried.

Step six

Once dry, attach the board to the kitchen wall, fixing at each corner with screws (drill pilot holes first to prevent MDF from splitting). Spot paint each screw head with Resene Zomp and allow to dry.

Step seven

Mix both parts of Resene Write-on Wall Paint according to instructions and stir with a paint stirrer. Leave to stand for five minutes.

Step eight

Apply two coats of Resene Write-on Wall Paint to the board using the No.4 roller. Apply evenly in one direction, allowing two hours for each coat to dry. Wait 48 hours before using the memo board.

Create this handy kitchen memo board for the whole family to use and spruce up your kitchen with a selection of cool Resene colours.

To get the look:

Resene Write-on Wall Paint can also be used directly on the wall surface, applied over a light-coloured basecoat of Resene SpaceCote Low Sheen.

Other ideas:

Create a fun memo board in a kids bedroom by using a selection of their favourite colours from the Resene KidzColour range with Resene Write-On Wall Paint on top.
